

Passers Report for Adult Educators

PURPOSE: To provide direction on how to view reports that list Students who have credentialed within a specific time period.

Retrieving Passers Report

1. After logging into GED Manager™, click on the '**Reporting**' (1.1) tab at the top of the screen and then click on '**Passers Report**' (See Figure 1).

No Candidates Found																		

Rows Found

Figure 3: Passers Report Screen

3.1: "Start date"
3.2: "End date"

IMPORTANT: The end date must be at least the day before the date you are trying to generate the report. Data is added nightly, so there is a 24 hour delay.

Keep in mind you can generate a report to list Students who have credentialed within a given year, month, week or over the course of a few days.

4. Next, select your "Test Center" (4.1) OR "GED Test Prep Center" (4.2). Note, you can select from either the "Test Center" OR "GED Test Prep Center" dropdown BUT not from both at the same time (See Figure 4).

5. Click on “**Preview Report**” (5.1) to view the report on your browser (See Figure 5).

! **IMPORTANT:** All Students who earned their credential within the period of time you selected will be listed. You will notice that besides their name you will see:

- GED® ID number
- DOB
- Credential date
- Total score and test scores included in the credential
- Percentile rank
- Date they achieved the highest score in each subject.
